

Studio Coffee Table

The Studio Coffee Table is designed for commercial environments where furniture must stand up to constant use. Unlike light-duty retail flatpacks, the Studio range is built with stronger materials, reinforced edges, and construction designed for long-term performance.

- Commercial-grade construction built to outperform standard flatpack furniture
- Durable Formica top resists heat, moisture, and scratching
- 3mm PVC hot-glued edges for long-lasting impact protection
- Stable, rigid frame engineered to stay square under heavy use
- Lower shelf for practical storage and added structural support
- Light/Dark wood grain finish designed to complement modern interiors
- Low-maintenance surfaces for fast, efficient cleaning
- 7 year commercial guarantee (**excluding misuse and general wear and tear**)
- Studio range is shipped disassembled to avoid damages during freight – contact us for an assembled option
