

# Studio Steel Framed Coffee Table

The Studio Coffee Table is designed for commercial environments where furniture is under constant daily use. Built with a solid structure and reinforced construction, it provides a durable, long-term alternative to light-duty retail coffee tables.

- Commercial-grade construction designed for long-term durability
- Durable Formica top – heat, water, and scratch resistant
- 3mm PVC hot-glued edges for maximum impact protection
- Black powdercoated steel frame for strength and structural stability
- Light/dark wood grain finish suited to modern interiors
- Low-maintenance surfaces for fast, efficient cleaning
- 7-year commercial guarantee (**excluding misuse and general wear and tear**)
- Studio range is shipped disassembled to avoid damages during freight – contact us for an assembled option
