

Studio Tallboy Drawer

The Studio Tallboy is built specifically for commercial environments that require long-term durability. Unlike light-duty retail flatpacks, the Studio range uses stronger materials, reinforced edges, and a construction method designed to perform under constant use.

- Commercial-grade construction built to perform
- Durable Formica top resists heat, moisture, and scratching
- 3mm PVC hot-glued edges for impact protection
- Strong drawer build with full-extension metal runners
- Stable, rigid structure designed to stay square over time
- Light/Dark wood finish suitable for modern commercial interiors
- Low-maintenance surfaces for fast, efficient cleaning
- 7 year commercial guarantee (**excluding misuse and general wear and tear**)
- Studio range is shipped disassembled to avoid damages during freight – contact us for an assembled option
