

Makers Tub Chair

Tub chairs have a casual style that is always on trend! A comfortable, supportive chair which sits perfectly alongside a sofa or in the corner of the bedroom. Also commonly used in reception areas and communal dining rooms. The internal timber framing is strong and dependable with sturdy plate fitted taper legs to take the knocks and rocks!

Available in two fabrics:

Commerical-spec PU Leatherette: Easy-care and more fade resistant than other materials. Maintain with soft damp cloth.

Commerical-spec Polyester Fabric: Durable, 100% polyester fabric that is soft, warm and inviting. Maintain with soft damp cloth and clear waterproofing silicone spray or similar to guard against spills.
