Simply unzip to split beds and create stand alone beds.

Makers Midnight Split Beds

Looking to maximise room rates? Want more flexibility in room offerings and bed configurations?

Our new innovative Makers MII Commercial Bed Base can be purchased in King Split or Super King Split sizes. This offers flexibility and different configurations, whether it be stand alone beds or super sized luxury. With unique joining brackets to hold bases together, these bases are designed for the split and zip Midnight Euro-Top & Comfort Top mattresses.

Makers Midnight Comfort-Top Mattress

- Versatile mattress to suit most comfort types
- 23cm profile with medium/soft comfort
- Durable pocket spring system with foam for additional comfort

Makers Midnight Euro-Top Mattress

- Perfect choice for luxury comfort
- 30cm profile for soft but supportive comfort
- Durable pocket spring system with foam and memory gel for additional comfort

But will my guest feel the zip?

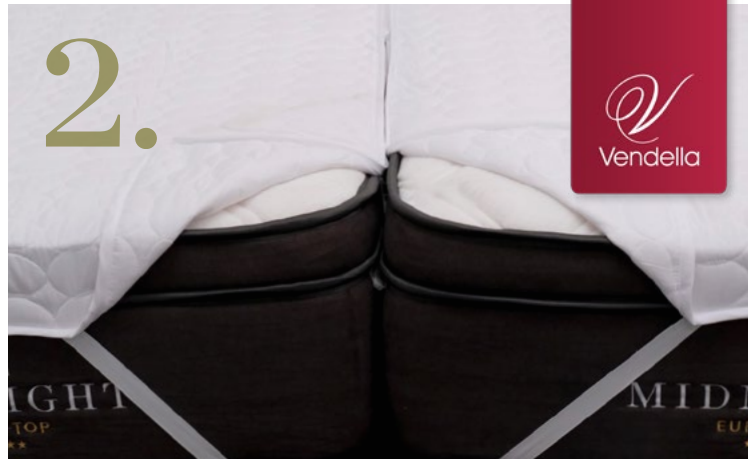

Midnight Split Mattresses and DreamGreen split bedding have been designed with guest comfort and bed presentation in mind. The well designed zip sits discreetly within the concealed folds of the soft binding edges and can't be felt by sleeping beauties.

DreamGreen Split Bedding

Our DreamGreen Split & Zip bedding is the perfect solution for quick room turn overs - saving you time and money!

Just as a super king configuration can be split into two long singles, so too can this innovative split and zip bedding range.

Unzip to create matching singles, reducing your inventory, saving storage space and ultimately housekeepers time.

What size sheets do I use with split beds?

For operational efficiency, smart presentation and operational efficiency, hotels prefer to dress the bed with flat Super King and King Single sheets, rather than fitted sheets.

Alternatively if you run a smaller homestay operation consider Weavers fitted Super King/Long Single bottom sheets with elasticated hem.

Read our Best Practice Bed Layering Guide here.
